Statistical Information Form
Required from all applicants for statistical reporting purposes. This form is permanently separated from your application before review.

Personal Statement

Official transcripts from every college and university attended in sealed and signed envelopes. *Exception: Official transcripts are not required from any of the 10 campuses within the UH system. This includes UH community colleges, UH Hilo, UH Maui College, and UHWO.*

Official transcripts are original documents issued by the college or university that bear the signature of the registrar and the embossed seal or official stamp of the issuing institution. Please note that official transcripts must be sent with your BSW application even if they were already submitted to UH Mānoa at the time of application to the University.

Three (3) completed Letter of Recommendation Forms in sealed envelopes with the recommender’s signature across the seal of the envelope. Three (3) Letter of Recommendation forms are required from individuals who can attest to your qualifications for this program. The form (provided with the application packet or downloaded from our website) must be completed by each recommender. Current/former college instructors and professional social workers who have supervised you are preferred recommenders. You may also include practicum instructors and academic advisors. In lieu of those options, other appropriate recommenders might include current/former employers, supervisors, or professional colleagues. **Do not use personal friends or relatives.**

For each of your recommendations, complete the applicant section in the box on the cover page of the Letter of Recommendation form. If you wish to waive your right to access the recommendation, sign in the space indicated. Give each person acting as a recommender the Letter of Recommendation form and an envelope addressed to you. Ask each recommender to complete the form, sign it, seal it in the envelope, sign their name across the sealed flap, and return the sealed and signed envelope to you. Include the three signed, sealed envelopes in your application packet. *Recommendations received without a completed Letter of Recommendation form or improperly sealed and/or unsigned will be considered invalid for admissions purposes.*

We strongly suggest that the people who write your recommendations keep a copy of their Letter of Recommendation form for their records. *Letters of Recommendation are kept on file for two years and can only be reused with written consent from the recommender.*

School of Social Work BSW Financial Aid Application (optional)

Please collect and submit all required BSW application materials as a single packet. It is each applicant’s responsibility to submit all required materials to the appropriate offices by the application deadline. It is also a good idea to keep copies of all documents submitted and to ask your references to keep a copy of their letters of recommendation as well. If you will be mailing your application, we suggest that you use registered or certified mail. We will notify you after your completed application packet has been received.
