Note: CAPIS reports were discontinued as of Spring 2002 and are no longer available as a data source. Student Information Management System (SIMS) used as data source for Fall 2002. Data differences between Fall 2002 and prior years may be due in part to the change in data sources.

1/ This table does not include Law (JD) and Medicine (MD) applications.
2/ Fall 2002 data also includes canceled applications as categorized in SIMS.
3/ Fall 2002 data from Student Information Management System (SIMS). Data provided by UHM Graduate Division prior to Fall 2002.
4/ Data includes post-baccalaureate certificate applicants and unclassified graduate applicants. Prior to Fall 2002, complete post-baccalaureate data were not captured in CAPIS, which may account for the differences in "denied" data for Fall 2002 versus prior years.

Sources: Fall 2002 data from Student Information Management System (SIMS). Data prior to Fall 2002 are from University of Hawai'i, Coordinated Admissions Program Information System (CAPIS) Reports 123D1, 123E1, 123F1, 123K1; UH Manoa Graduate Division

1/ The substantial increase in the number of denied applicants from 1999 to 2000 is due, largely in part, to invalid applications from high school students wishing to apply as first-time freshmen, as well as online applications from applicants who apply as first-time freshmen or who do not complete the application process.
