Students are required to complete four semesters of field education (practicum) totaling a minimum of 900 clock hours (two semesters for a total of 450 hours for Advanced Standing). Now is the time to figure out how practicum will fit into your life, school, and work schedules. Practicum requires a minimum of 16 hours per week each semester. The business of social service agencies and appropriate field placement settings is primarily conducted during the business day (8 am - 5 pm, Monday – Friday); therefore students should expect to allot 16 daytime/business hours per week to complete the Field Education requirement.

MSW students take 12-15 credits per semester to graduate in two years (or one year for Advanced Standing), 9-12 credits/semester for a three-year academic plan, or 6-9 credits/semester for a four-year academic plan.

Residency for tuition purposes is determined at the time of admission by the UH Mānoa Graduate Division based on the Residency Declaration Form (refer to http://manoa.hawaii.edu/graduate/content/documentation-requirements) in accordance with University residency regulations (refer to http://manoa.hawaii.edu/admissions/financing/residency.html).

The MSW program does not participate in the Western Regional Graduate Program (WRGP), administered by the Western Interstate Commission on Higher Education (WICHE) – refer to http://manoa.hawaii.edu/graduate/content/wiche-program.
