Notes:
1/ Home-Based at Other UH Campus refers to students whose primary campus (as defined in Banner / ODS) is not the campus at which registered.
2/ Revised Institutional Exempt code assigned to students from the Pacific Islands who come from nations where there are no four-year institutions of higher education, effective Fall 2007. Students are charged 150% of resident tuition.
3/ Western Undergraduate Exchange (WUE) students are charged 150% of resident tuition.
4/ New residency code for Hawai'i National Guard reservists, effective Spring 2007; students pay resident tuition.
5/ New residency code for DOE Teachers, effective Fall 2006; students pay resident tuition.
6/ New field, effective Fall 2006. Non-citizens line item is the new source for the non-resident alien count, as reported to IPEDS (replaces visa status).
The citizenship type field in IRO_Base is more reliable than the visa type field when identifying U.S. citizens and non-U.S. citizens.
7/ U.S. Citizens includes persons born in the 50 States, naturalized citizens and persons born in Guam, Puerto Rico, the Virgin Islands and the Commonwealth of the Northern Marianas (after 1986).
8/ U.S. Nationals includes American Samoa and Swains Island. CFAS Citizens includes the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau
9/ Full-time attendance status is defined for undergraduates as those taking 12 or more semester hours; full-time graduate students are defined as those taking 8 or more semester hours.
10/ Mixed Asian Pacific Islander category was renamed Mixed Asian as a result of the migration to banner in Spring 2003. As of Fall 2006, Mixed Asian and Pacific Islander will no longer be reported as a separate line item.
11/ Hawaiian Ancestry headcount refers to the sum of students who self-reported Hawaiian ancestry on the UH System Application form and those who either did not answer the ancestry question or answered in the negative but who indicated Hawaiian ethnicity.
