THE UNIVERSITY OF HAWAIʻI
HEADCOUNT ENROLLMENT, SPRING 2008

Headcount enrollment at the University of Hawaiʻi measured 48,093 in Spring 2008, a 3.6% increase from the previous spring semester. Eight campuses posted increases in enrollment: UH-West O'ahu (18.8%); Hawaiʻi CC (14%); Leeward CC (9%); Maui CC (8.6%); Windward CC (8.3%); Kapiʻolani CC (6.1%); UH-Hilo (5.8%); Kauaʻi CC (1.7%). The remaining two campuses had enrollment declines: UH Mānoa (-1.1%), Honolulu CC (-0.1%). Overall, enrollment for the UH Community College system increased 6.7% from Spring 2007.

In 2002-03, the University of Hawaiʻi campuses migrated to a new student registration system. During that process, aggregations for certain items in the report tables such as citizenship have changed. Data for certain other items may show discontinuities due to changes in data processing. The reader is advised to exercise caution when examining trends or percentage data over time.

Other Spring 2008 enrollment highlights:

- The Banner registration system requires students to designate one of the UH campuses as their “home” campus. However, business practice has changed so that once a student has been accepted into any UH campus he/she may register for classes at any UH Community College without submitting a new application. A new line item has been added to the tables to track this enrollment separately from other measures. Total enrollment at non-home based campuses measured 4,222 (17%) for the UH Community Colleges in Spring 2008 and 4,338 (9%) for the UH system.

- The Hawaiian Ancestry characteristic is a new item. The Hawaiian Ancestry enrollment is a combination of all those who indicated “Yes” to Hawaiian Ancestry on the application plus those who either did not answer the question or indicated “No” but who indicated Hawaiian / Part-Hawaiian ethnicity. The total for the UH system measured 9,033 or 18.8% of the enrollment in Spring 2008.

- The mean age of students has remained constant at 25.7 years for two consecutive years. The proportion of part-time students increased slightly to 48% while the proportion of full-time students decreased to 52% from the previous spring semester. After stabilizing at 78% over the last two years, the proportion of Hawaiʻi resident students increased slightly this year to 79%.

- With the migration to the Banner registration system, ethnic reporting has been expanded to include additional categories. However, only incoming students are included in these new categories; students already enrolled are shown under the ethnic category previously selected. The UH student body is ethnically diverse and continues to diversify. Of note, Hawaiian or Pacific Islanders continue to increase steadily, the increase coming mainly from the Hawaiian/Part-Hawaiian group. The proportion of students of Japanese ancestry continues its steady decline.

Continuing Education Headcount

UH SYSTEM TOTAL		1,569
University of Hawai`i at Manoa	Campus/Unit Total	1,487
	University of Hawai`i at Manoa	1,487
University of Hawai`i, Community Colleges	Campus/Unit Total	82
	Honolulu Community College	82

Notes:

1	Percents may not sum due to rounding
2	The Total Headcount is the sum of Regular and Special students only.
3	Continuing Ed counts are included in the Regular student count and are shown separately for information purposes only. Counts for Continuing Education credit students at UH Manoa (Outreach College) and Honolulu CC (SOCAD) are identified by Credit Type field in IRO_Base which identifies students by registered term/academic period. This excludes students who may have enrolled after the census date.

1/ Data includes Outreach College credit counts for UH Manoa and Continuing Ed credit counts for UH Hilo, beginning Spring 1999.
Percentage change values for Spring 1999 are therefore incomparable to prior years for UH Manoa, UH Hilo and the UH system and are not shown.

2/ Data includes continuing education credit students at Honolulu CC, beginning Fall 1999. Percentage change values for Fall 1999 are therefore incomparable to prior years for Honolulu CC, the UH Community College system and the UH system and are not shown.

Note: Counts include special students for all years.

Notes:

1	Home-Based at Other UH Campus refers to students whose primary campus (as defined in Banner / ODS) is not the campus at which registered.
2	Revised Institutional Exempt residency code is effective Fall 2007 and assigned to students from the Pacific Islands who come from nations where there are no four-year institutions of higher education. Students are charged 150% of resident tuition.
3	Hawaiian Ancestry headcount refers to the sum of students who self-reported Hawaiian ancestry on the UH System Application form and those who either did not answer the ancestry question or answered in the negative but who indicated Hawaiian ethnicity.

TABLE 4A
SELECTED CHARACTERISTICS OF CREDIT STUDENTS
UNIVERSITY OF HAWAIʻI, COMMUNITY COLLEGES
Spring 2008

Notes:

1	Home-Based at Other UH Campus refers to students whose primary campus (as defined in Banner / ODS) is not the campus at which registered.
2	Hawaiian Ancestry headcount refers to the sum of students who self-reported Hawaiian ancestry on the UH System Application form and those who either did not answer the ancestry question or answered in the negative but who indicated Hawaiian ethnicity.

1/ Students whose Primary campus, as identified in Banner / ODS, is not the campus at which registered.
2/ Military counts for Spring 2007 are reported under No Data.
3/ Includes U.S. Possessions, U.S. Commonwealths and republics within the Compact of Free Association.

Table 5 (cont.)

CHARACTERISTIC	2003-04 FALL	2003-04 SPRING	2004-05 FALL	2004-05 SPRING	2005-06 FALL	2005-06 SPRING	2006-07 FALL	2006-07 SPRING	2007-08 FALL	2007-08 SPRING

4/ Increase in invalid data subsequent to migration to the Banner registration system: Summer 2002 at the UH Community Colleges, Summer 2003 at UH-West O‘ahu and Fall 2003 at UH Mānoa and UH Hilo. For Spring 2007: no data includes Military counts.

5/ Effective Fall 2007: Revised Institutional Exempt code assigned to students from the Pacific Islands who come from nations where there are no four-year institutions of higher education. Students are charged 150% of resident tuition. The use of this residency code in Spring 2007 may be due to the miscoding of the student record.

6/ New residency code for Hawaii National Guard reservists, effective Spring 2007; students pay resident tuition.

7/ Shows sum of students with student and other visas; excludes resident aliens. Effective Fall 2006, non-resident alien is defined as the non-citizen count under citizenship type.

8/ Effective Fall 2006, Citizenship Type replaces the Non-U.S. Citizens measure. The citizenship type field in IRO_Base is more reliable than the visa type field when identifying U.S. citizens and non-U.S. citizens.

9/ Students with zero SSH are students auditing courses for no credit, attending remedial non-credit courses or waiting for courses not currently offered. Zero SSH records no longer counted as of Fall 2000; however, may persist due to data processing anomalies.

10/ New item added to the UH System Application form. Shows sum of all those who indicated Hawaiian ancestry plus those who either did not answer the question or who answered in the negative but who indicated Hawaiian ethnicity. New procedures were implemented to collect Hawaiian Ancestry information from continuing students but are not reflected in the Spring 2006 data because the collection took place after the Spring 2006 data were frozen in ODS. The updated Hawaiian Ancestry information will be reflected in the Fall 2006 enrollment report and thereafter.

11/ Breakout by previous college not available after Banner migration.

12/ Asian Indian was formerly called Indian Subcontinent; Pacific Islander includes Other Pacific Islander; Hispanic includes Other Hispanic; Caucasian includes Other Caucasian. Effective Fall 2006, Mixed Asian Pacific Islander was renamed Mixed Asian.
