1/ These are calculated estimates which can vary greatly for individual students.

2/ Beginning AY 1999-00, undergraduate nursing and dental hygiene students enrolled in clinical courses in the regular program and through distance learning also pay a $500 per semester ($1,000 per year) professional fee for no more than six semesters (Board of Regents, March 19, 1999).

3/ CBA graduate tuition applies to current and future masters degrees offered by the UHM College of Business Administration, except the established rates apply to student enrolled in the Masters of Accountancy program effective Fall 2003. Until that time, classified Master of Accountancy students continue to pay the BOR-approved UHM graduate tuition. The CBA masters degrees offered in executive format charge the resident tuition established here plus additional fees delegated to and approved by the President (Board of Regents, March 16, 2001).

4/ UH Community College tuition is charged on a per-credit basis for all enrolled credits effective AY 2001-2002 (Board of Regents, March 16, 2001). The amount shown here is based on 12 enrolled credits, and shown for comparative purposes only. The per-credit rate is $43 per credit for resident $242 per credit for non-residents. Student fees vary at each campus, so a 12-credit fee is used.
