THE UNIVERSITY OF HAWAIʻI-WEST OʻAHU
HEADCOUNT ENROLLMENT, FALL 2001

Headcount enrollment at the University of Hawaiʻi-West Oʻahu measured 740 for Fall 2001, the highest enrollment count in seven years and the second highest total in the history of the campus. Headcount enrollment increased by 75 students or 11.4% over Fall 2000 (Table 1 and Figures 1 & 2). Full-Time Equivalent (FTE) enrollment was more or less unchanged, at 443 (Table 2). Both headcount and FTE enrollment have grown over 14% since Fall 1996.

Since modification of the degree credentials was approved by the UH Board of Regents in July 1998, enrollments in the new Business and Public Administration degree programs have grown steadily (Table 3). The reorganization does not seem to have adversely affected enrollments in either the business or public administration majors (Table 6). Enrollment in the Professional Studies degree credential is now approaching zero, as those students enrolled prior to the reorganization complete their studies. Enrollment in Social Sciences showed the strongest growth for Fall 2001, up 9.8% over Fall 2000 and up 12.2% since Fall 1997.

Other highlights and trends include the following:

- The increase in headcount enrollment in Fall 2001 is largely due to an increase in unclassified undergraduate enrollment. Unclassified undergraduate enrollment increased from 43 in Fall 2000 to 103 in Fall 2001, a 140% one-year increase (Tables 3 & 6 and Figure 3).

- Part-Time enrollment increased from 50% to 58% of total enrollment in Fall 2001 (Table 3 & Figure 8), largely due to the unclassified students, 75% of whom are enrolled part-time. Mean age increased from 31.9 to 33.0 years (Figure 9) for Fall 2001, again strongly influenced by the unclassified students, who have a mean age of 35.1 years (Table 4).

- Enrollment of students from the Neighbor Islands (as measured by both Permanent and Local Address) nearly doubled, increasing from 59 students in Fall 2000 to 111 in Fall 2001. Unclassified enrollment from the Neighbor Islands increased from 10 a year ago to 22 in Fall 2001.

- Although headcount enrollment grew significantly in Fall 2001, Student Semesters Hours Taken fell from 6,690 in Fall 2000 to 6,647 in Fall 2001. Average credit hour load decreased from 10.1 in Fall 2000 to 9.0 in Fall 2001, the lowest level since Fall 1996.

- The ethnic makeup of the student body continues to diversify (Figure 10). Filipino, Hawaiian and Other Asian students now comprise over 38% of total enrollment, as opposed to just over 26% in Fall 1991.

1/ Modification of degree credentials, approved by the UH Board of Regents in July 1998, provides for the replacement of the Professional Studies program by new degree options in Business Admin and Public Admin. Student already enrolled in Professional Studies allowed to complete their degrees. Compare these numbers to majors shown in Table 6.

2/ Shows sum of students with visa types 1 (student) and 3 (other); excludes students with visa type 2 (immigrant).
