# THE UNIVERSITY OF HAWAIʻI-WEST OʻAHU
# HEADCOUNT ENROLLMENT, FALL 2006

Headcount enrollment at the University of Hawaiʻi-West Oʻahu measured 866 for Fall 2006, an increase of 0.9% over the previous fall semester (Table 1 and Figures 1 & 2). Full-Time Equivalent (FTE) enrollment decreased 2.9% to reach 476 (Table 2). Headcount enrollment at UH-West Oʻahu has exceeded 800 for the last five fall semesters.

In Fall 2003, the UH four-year campuses migrated to a new student registration system. In Fall 2005, the University of Hawaiʻi Institutional Research Office completed development of the IRO Base table. Breakouts for certain items in the report tables, such as citizenship and mailing address have changed. The Hawaiian Ancestry measure is new. Data for certain other items may show discontinuities due to changes in data processing. The reader is advised to exercise caution when examining trends or percentage data over time.

Other Fall 2006 enrollment highlights:

- Enrollment in Business Administration programs measured 263 or 30.4% of the total enrollment in Fall 2006 (Table 3 & Figure 3). Enrollment in Social Science programs measured 341 (39.4%).

- Enrollment of students from the neighbor islands, as measured by Mailing Address, has increased markedly since Fall 2001 (Table 4 & Figure 4), with an all-time high of 20.2% in Fall 2006.

- Entering student enrollment measured 337 in Fall 2006 (Table 4 & Figure 6). Due to changes in data processing subsequent to the migration to the Banner registration system, there were a large number of records in Fall 2006 for which previous college was not identifiable.

- Enrollment of women declined slightly, to 68.7% of total enrollment (Figure 7). Full-time student enrollment declined to 34.6%, the lowest percentage since Fall 1992 (Figure 8). Mean Age remains stable at 32 years (Figure 9).

- Hawaiian Ancestry is a new item that was added in Fall 2005. Students were asked on the UH System Application form to indicate Hawaiian ancestry. The numbers shown in Table 3 and Table 4 represent the aggregate number of students who indicated “Yes” to Hawaiian ancestry or who indicated Hawaiian ethnicity. The total for the campus measured 21.6% of enrollment.

- Enrollment of ethnic Hawaiian / Part-Hawaiian students measured 19.9% of total enrollment in Fall 2006. This percentage is the highest of the upper division campuses in the UH system and higher than three of the UH Community Colleges (Honolulu CC, Kapiʻolani CC and Leeward CC). The UH-West Oʻahu student body is ethnically diverse and continues to diversity (Figure 10).

1/ Migration to a new student registration system took place in Fall 2003. Unclassified graduate level no longer available.
2/ Prior to Fall 2006, headcount for juniors includes records which were coded in IRO Base as freshmen and sophomore ed level.
Coding of lower division may have resulted from late input of transfer credits.
3/ Students whose primary campus, as identified in Banner / ODS, is not UH-West Oʻahu.
Data for Fall 2003 and 2004 are from SIMS Base files, with information on primary campus added from Banner / Datamart.

1/ Students whose Primary campus, as identified in Banner / ODS, is not UH-West O‘ahu.
2/ Includes U.S. Possessions, Commonwealths and republics within the Compact of Free Association.
3/ Data provided by matching SPRADDR ZIP MA against external look-up table.
4/ New field, effective Fall 2006. Non-citizens line item is new source for non-resident alien count, as reported to IPEDS (replaces visa st
The citizenship type field in IRO_Base is more reliable than the visa status field when identifying U.S. citizens and non-U.S. citizens.
5/ First-time undergraduates to UH-West O‘ahu are students who are home-based at other UH campuses.
6/ Breakout by previous college not available for Fall 2006.
7/ New item added to the UH System Application form in Fall 2005. Shows sum of all those who indicated Hawaiian ancestry plus those who either did not answer the question or answered in the negative but who indicated Hawaiian ethnicity.
8/ With banner registration system, ethnic categories have been expanded. Students already enrolled prior to the change are reported under the ethnic category previously selected. Enrollment in the new ethnicity categories may be under-reported.
9/ Mixed Asian Pacific Islander category was renamed Mixed Asian as a result of the migration to banner in Spring 2003. Therefore, Mixed Asian Pacific Islander will no longer be reported as of Fall 2006.

1/ Modification of degree credentials, approved by the UH Board of Regents in July 1998, provided for the replacement of the Professional Studies program by new degree options in Business and Public Administration.

2/ Students whose Primary campus, as identified in Banner / ODS, is not UH-West O'ahu. Data for Fall 2003 and 2004 are from SIMS Base files, with information on primary campus added from Banner / Datamart.

3/ Headcount for Juniors previously included records that were coded in IRO Base as freshmen and sophomore ed level. Effective Fall 2006, ed lev will be reported as given in IRO Base.

4/ Breakout changed with migration to Operational Data Store (ODS) tables in Fall 2005. Data provided by matching SPRADDR ZIP MA against external look-up table.

5/ Prior to Fall 2006, may include records coded as WUE.

6/ New field, effective Fall 2006. Non-citizen line item is new source for non-resident alien count, as reported to IPEDS (replaces visa status).

7/ Effective Fall 2006, non-resident alien is defined as the non-citizen count under citizenship type. For prior years, shows counts by visa type (i.e. sum of students with student and other visas).

8/ Breakout by previous college not available from Fall 2005 and Fall 2006.

9/ New item added to the UH System Application form in Fall 2005. Shows sum of all those who indicated Hawaiian ancestry plus those who either did not answer the question or answered in the negative but who indicated Hawaiian ethnicity.

10/ With new registration system, ethnic categories have been expanded. Students already enrolled are reported under the ethnic category previously selected. Enrollment in the new ethnicity categories may be under-reported.

11/ Mixed Asian Pacific Islander category was renamed Mixed Asian as a result of the migration to banner in spring 2003 and will be reported as Mi Asian beginning Fall 2006.
