

## Graduate Division Tuition Waiver

The Graduate Division allocates a limited number of tuition waivers to graduate programs, which in turn award the waivers to qualified students.

### Eligibility

To be eligible, an applicant must be a degree-seeking student in a master's or doctoral program and have a cumulative GPA of 3.0 or above.

### Amount

The award amount varies, depending on the graduate program. Minimum award amount is \$500.

Tuition waivers are applicable toward the costs of tuition only. Award recipients must pay their own fees and remaining tuition balance by the payment deadline posted in the MyUH Website.

Award recipients who make registration changes are responsible for checking their MyUH student accounts for resulting changes to their student account balance.

Failure to pay the outstanding balance by the deadline will result in cancellation of registration.

### Application Procedures

Students apply through their graduate programs. Awards are competitive.

### Conditions

Award recipients must maintain an enrollment of six credits or more of degree-related courses and a cumulative GPA of 3.0 or above, for the **entire period** of the award. ELI courses and courses used to remedy undergraduate deficiencies are considered degree-related. Audit courses are not considered degree-related.

Recipients will be liable to reimburse UHM for the full amount of the award, if they fail to meet the award conditions or if for any other reason the award becomes invalid.
