The Koa Gallery at Kapi`olani Community College in conjunction with Crossings 2003, Korea/Hawaii, presents "Contemporary Korean Video Artists – an Installation". Co-curated by Sul WonGi, professor at The Korean National University of the Arts in Seoul and Lee Byunghee, the exhibit features a group of cutting edge contemporary video artists.

As a result of the rapidly expanding New Media Art Program at KCC, The Koa Gallery was selected to host the video installation. Ever mindful of the rapidly changing nature of new technology, the Koa Gallery is a venue for experimental art forms.
