To All Biology and Marine Biology Majors,

Welcome back to the Spring term. I hope you all had a great Winter Break and enjoyed celebrating the New Year!

Important Dates to keep in mind of:

Last day to drop a course online without a "W" grade is Tuesday, January 22nd
Last day to add a course online is Wednesday, January 23rd 4 p.m. HST

This is an email to inform you of upcoming seminars from other departments, announcements for opportunities, scholarships and other important dates.

Courses

If you would like to know what BIOL courses are offered in Summer and Fall 2008, please email me at bioadvise@hawaii.edu

Seminars

01.17.2008	Oceanography Seminar 3 p.m. MSB 100 By: Eric Hochberg Researcher, Hawaii Institute of Marine Biology (HIMB) SOEST, UH Manoa Title: "Coral Reefs and Light"
01.18.2008	Zoology Seminar 3:30 p.m. St. John 11 By: Dr. Wolf Henke Dept. Organismic and Evolutionary Biology Harvard University Title: "Biological flows investigated with particle image velocimetry"

Advising

You are more than welcome to come to Dean Hall Rm. 2 to meet with me to go over your 4-year schedule or upcoming semester schedule. I may have a couple of appointments so you may want to email me at bioadvise@hawaii.edu to check.

Please schedule a meeting with the College of Arts and Sciences in QLC 113 also to check your College of Arts and Science Program Curriculum.

Summer Programs

Amgen Scholars Program at California Institute of Technology.

This program introduces students to research under the guidance of veteran research mentors. During a ten-week summer program, students will experience the process of research as a creative intellectual activity.
