To All Biology and Marine Biology majors,

This is an email to inform you of upcoming seminars from other departments, announcements for opportunities, scholarships and other important dates.

Seminars

Oceanography Seminar

Thursday, February 14th

MSB 100

3:00 p.m.

By: Patrick Caldwell, Oceanographer

Joint Institute for Marine and Atmospheric Research (JIMAR) SOEST, UH Manoa

Title: "Coinciding high surf and tides on the North shore, Oahu"

Evoluncheon (EECB) Seminar

Friday, February 15th

BIOMED T208

11:30 a.m. to 12:20 p.m.

By: Dr. Kevin Montgomery, CEO Intelesense Technologies and Technical Director of the National Biocomputation Center at Stanford University

Title: "Intelesense Technologies: Global Integrated Monitoring"

Abstract: <http://www.hawaii.edu/calendar/uh/2008/20/01/6861.html>

Scholarships

There are three College of Arts and Sciences Scholarship (Kosaki Student Assistance Awards, the Arts & Sciences Advisory Council Awards, and the CASAA Academic Opportunities Awards).

Attached are the application forms.

The applications will also be available for downloading at the following website:

<http://www.artsci.hawaii.edu/alumni/>

Deadline for applications is March 7, 2008.

Summer Programs

The Hawaii State Infrastructure Development Award Network for Biomedical Research Excellence (INBRE) sponsors a summer research program for undergraduate students interested in a career in

biomedical research in 2008. The program enables students to perform a laboratory-based research project under the mentorship of an experienced scientist at one of the research institutions or university departments in the life sciences and other relevant disciplines in Hawaii.

Further information and application forms can be obtained from the Hawaii State INBRE website at <http://www.inbre.hawaii.edu/>.

Attached are more information regarding Hawaii INBRE Summer Student Research Program 2008.

Deadline for submission: March 7, 2008.

SeaWorld Adventure Park Summer Adventure Camp Internship

Please look in the attachment for information.

FOR APPLICATIONS & MORE INFORMATION:

- o Register & view specifics for job #71092 on-line at <http://www.hawaii.edu/sece>
- o Attend a Cooperative Education orientation.
- o See a Co-op Counselor for specific details.

Teaching Careers

Online Post-Baccalaureate Teacher Preparation Program in Secondary Math and Science Education

The program will start in Spring 2009 and students are required to have a baccalaureate degree by this December 2008 and must have taken the PRAXIS test (general and subject) by June 2008.

For more information, please visit <http://manoa.hawaii.edu/teach>

Email osas@hawaii.edu or call 956-7849

Program application deadline is June 1, 2008

Previous information of announcements will be placed on the webpage at <http://www.hawaii.edu/biology>

If you would like to be removed from the listserv, please reply with Subject "Remove from Listserv."

Thanks,

Joseph Menor, Jr.
