## Certification of Fulfillment of Major Requirements

To Major Advisor:

Please review the **official departmental** records for this student and verify the information the student has provided on Side A. The student is responsible for making sure this form is received by the **Student Academic Services Office** in Hawaii Hall 108.

1. **Course and Credit Requirements**

The student has **completed** all courses required in the major.  Yes  No

If the student has **not** completed major requirements, what remains (including courses in progress)?

Course Number	Credits	Repeat Course?	Indicate waiver/substitution granted, if specific GPR required, etc.
Total Credits needed (incl. those in progress)			

This student will **not** use the following courses in the major and may use these courses to fulfill **core** requirements:

**Biology 171 (3 cr.) and Biology 171 L (1 cr.)**

2. **Overall Major GPR Requirements if applicable:**

This student currently meets/does **not** meet the minimum **major** GPR requirement of **2.0**.

If the student does **not** meet the minimum listed above or if there are incompletes or other actions which may alter the current major GPR, please compute the student's current major GPR below.

as of: \_\_\_\_\_ # of attempted credits in major: \_\_\_\_\_ # of grade points: \_\_\_\_\_ Major GPR: \_\_\_\_\_

I have reviewed the student's official BANNER/STAR record and am certifying that s/he will meet all major requirements for graduation upon successful completion of the courses listed above.
