Property Type	Classification of the usage of property
Property Class	Broad classification of the type of property
Property - Extra Description	Further description of the property
Property - Green Initiative	
Property - Floor ID	Floor number
Property - Floor ID - Description	Description of the floor
Property - Floor ID - CAD Gross	Gross sqft for the floor autopopulated by AiMCAD
Property - Floor ID - Halon System	
Property - Floor ID - Sprinkler Cover	
Property - Floor ID - Wet/Dry Sprinkler	
Property - Floor ID - Basement	
Property - Floor ID - Active	
Property - Account Setup	Not currently used
Property - Account Setup - Account	
Property - Account Setup - Description	
Property - Account Setup - Object Code	
Property - Account Setup - Subledger	
Property - Account Setup - Percentage	
Property - Account Setup - Start Date	
Property - Account Setup - Expire Date	
Property - Utility Account Setup	Not currently used
Property - Utility Account Setup - Sequence	
Property - Utility Account Setup - Utility Type	
Property - Utility Account Setup - Percentage	
Property - Utility Account Setup - Account	
Property - Utility Account Setup - Description	
Property - Utility Account Setup - Object Code	
Property - Utility Account Setup - Start Date	
Property - Utility Account Setup - Expire Date	
Property - Square Footage	
Property - Square Footage - Acres	Square footage needs to be manually input when not auto populated by AiMCAD
Property - Square Footage - Gross	Square footage needs to be manually input when not auto populated by AiMCAD
Property - Square Footage - Rentable	Square footage needs to be manually input when not auto populated by AiMCAD

Property - Square Footage - Usable	Square footage needs to be manually input when not auto populated by AiMCAD
Property - Square Footage - Assignable	Square footage needs to be manually input when not auto populated by AiMCAD
Property - Square Footage - Non-Assignable	Square footage needs to be manually input when not auto populated by AiMCAD
Property - Square Footage - Survey Sqft Rollup	
Property - Square Footage - CAD Sqft - P	Auto populated by AiMCAD
Property - Square Footage - CAD Sqft - L	Auto populated by AiMCAD
Property - Square Footage - CAD Sqft - R	Auto populated by AiMCAD
Property - Square Footage - CAD Sqft - U	Auto populated by AiMCAD
Property - Square Footage - CAD Sqft - A	Auto populated by AiMCAD
Property - Square Footage - CAD Sqft - N	Auto populated by AiMCAD
Property - Square Footage - CAD Sqft - T	Auto populated by AiMCAD
Property - General Information	
Property - General Information - Latitude	
Property - General Information - Longitude
