OFFICE OF THE CHANCELLOR
OFFICE OF THE VICE CHANCELLOR FOR ACADEMIC AFFAIRS

FUNCTIONAL STATEMENT

I. INTRODUCTION

A. Overview of the Office: The Office of the Vice Chancellor for Academic Affairs has leadership responsibilities for the planning, direction, development, coordination, and management of the academic programs of the University of Hawai‘i at Mānoa. The Vice Chancellor for Academic Affairs (VCAA) serves as the chief academic officer of the campus and the principal policy advisor to the Chancellor on academic matters. The following schools and colleges report to the Vice Chancellor: School of Architecture, College of Arts and Humanities, College of Business Administration, College of Education, College of Engineering, School of Hawaiian, Asian, and Pacific Studies, College of Languages, Linguistics, and Literature, College of Natural Sciences, School of Nursing and Dental Hygiene, Outreach College, College of Social Sciences, School of Social Work, School of Travel Industry Management, and College of Tropical Agriculture and Human Resources. In addition, the following academic support units report to the Vice Chancellor: the Office of Undergraduate Education, the Office of Enrollment Management, the Office of International and Exchange Programs, the Office of Native Hawaiian Academic Services, the Office of Academic Personnel, the Office of Academic Institutional Research, Library Services, and the UIH Press.

B. Authority: The VCAA has the authority to develop new academic programs, to review and determine the continuing status of existing programs, to develop and promulgate academic and academic personnel policies for compliance by all academic units, to rule on faculty complaints, grievances, and disciplinary actions on behalf of the Chancellor, and to take actions to improve the academic programs and climate of the campus.

C. Interaction with Other UH Mānoa Vice Chancellors: The VCAA works with the Vice Chancellor for Research and Graduate Education to ensure that the graduate and research programs of the academic units are provided with the best possible support; with the Vice Chancellor for Administration, Finance, and Operations to ensure the responsible allocation and expenditure of financial resources and that the academic programs are well-represented in the media; that personnel actions taken are reasonable and compliant; that academic programs have access to the best information technology available at the University; and to ensure that physical facilities are adequate for instructional needs; and with the Vice Chancellor for Students to ensure optimal support of students in the academic programs.
II. MAJOR FUNCTIONS OF THE OFFICE OF THE VICE CHANCELLOR FOR ACADEMIC AFFAIRS

The Office directs the development of governing policies, the conduct of program planning and assessment, the determination of directions and setting of priorities in response to new opportunities, the formulation of academic goals and objectives, the formulation of enrollment management plans and goals, and the allocation, reallocation, and management of academic programs and units.

The Office is actively involved in encouraging and developing new academic initiatives, in establishing new undergraduate and graduate programs, in assessing existing academic programs and units, and in analyzing institutional data regarding academic programs.

The Office of the VCAA has the following responsibilities:

- Oversees and coordinates the activities of the academic units and programs through the academic deans and directors; establishes academic standards for instructional programs and scholarly activities.
- Coordinates the academic personnel functions for the campus for faculty and executive/managerial employees; serves as Chancellor’s designee for complaints, grievances, and disciplinary actions; participates in formulation of contract proposals and negotiating strategy.
- Provides advice and support for new academic initiatives from the formative phases through Board of Regents approval and implementation. Conducts internal reviews of existing academic programs, including coordinating terminations of existing programs and implementing campus-wide assessment program.
- Serves as the campus academic liaison with the Western Association of Schools and Colleges; maintains oversight of reviews by specialized accrediting agencies.
- Leads in the preparation and implementation of the Mānoa Strategic Plan; coordinates updates.
- Coordinates academic affairs of UHM with the University of Hawai‘i system including promoting system-wide transfer of courses and degrees, participating in system-wide discussion with senior academic executives, developing system articulation agreements, collaborating with other campuses in establishing programs, policies, strategic plans, and system budgets.
- Plans and directs the undergraduate and graduate commencement ceremonies and other campus-wide academic functions.
- Directs the development and implementation of programs that make full use of appropriate technologies and methods of delivery of educational and academic support services; manages the review and approval of distance delivered programs.
- Assists in the preparation and execution of the UEM budget; advises on policies and procedures to redistribute funds and positions; determines resource needs of new programs and recommend plans for securing resources; participates in determining campus priorities for CIP projects.
- Oversees the Office of Undergraduate Education, the Office of Enrollment Management, the Office of International and Exchange Programs, the Office of Native Hawaiian Academic Services, the Office of Academic Personnel, the Office of Academic Institutional Research, Library Services, and the UH Press.
- Selects/appoints UHM representatives to various external and internal boards and committees associated with University academic programs.
• Serves as the UHM source of expertise on the subject of academic programs and activities.

• Serves as the Chancellor's representative for academic programs with a variety of individuals, groups, and agencies, both inside and outside UH Mānoa, such as federal and state agencies, other higher education institutions, legislators, and the general public, which have the potential to take actions that impact UHM academic programs and capabilities.

• Serves as the campus academic liaison with the Western Interstate Commission on Higher Education (WICHE).

CAMPUS-WIDE PROGRAMS

FUNCTIONAL STATEMENT

These programs have campus-wide academic or support responsibilities and are not assigned to a college or school. The programs report to the Associate Vice Chancellor for Undergraduate Education.

Academy for Creative Media (previously located in the Colleges of Arts & Sciences)
- Seeks to provide a globally competitive media studies program, with instructional programs that span the entire academic spectrum, from certificates to associates, baccalaureate, masters, and doctoral programs. ACM engages all of the campuses within the UH system and works collaboratively, drawing upon programs, faculty, and students from across the system.

General Education Office/Mānoa Writing Program (previously located in the College of Languages, Linguistics, and Literature)
- Works with the General Education Committee, a standing committee of the UHM Faculty Senate, and the Senate Executive Committee to implement General Education policies and procedures.
- Provides staff support to the various General Education Committees and Boards.
- Develops, supports, and maintains website for the General Education Program and the General Education Committee.
- Distributes, collects, and processes documents necessary for the implementation of the general education requirements.
- Maintains an accurate listing of general education requirements and courses for the Mānoa catalog and Schedule of Classes.
- Assists in the assessment of the general education program.
- Administers General Education writing requirements, guided by a board of nine professors, each from a different department. The faculty board reviews requests to give courses writing-intensive (W) Focus designations, offers faculty workshops on teaching with writing, and surveys students in W Focus classes.
- Administers the Mānoa Writing Placement Examination to all incoming undergraduates who have not met UHM’s entry-level writing course requirement.

Honors Program (previously located in the Colleges of Arts & Sciences)
- Provides qualified undergraduate students with the opportunity to complete a baccalaureate program with "honors," "high honors," or "highest honors."
- Operates a lower division. Selected Studies program which provides academically promising freshmen and sophomores the opportunity for enriched general education in A-sections—small, intensive, and sometimes experimental versions of the required courses.
- Administers the "Sophomore Honors" certificate program.
Interdisciplinary Studies Program (previously located in the Colleges of Arts & Sciences)
- Offers the BA in Interdisciplinary Studies to provide students with an opportunity to pursue a course of study that is not restricted to conventional departmental or college boundaries.
- Assists students with the design and implementation of an individualized BA program

Learning Assistance Center (previously located in the Office of Student Affairs)
- Provides educational counseling services and programs, commercial materials, and diagnostic services in developing more effective study habits and learning skills.

Learning Communities (previously located in the Colleges of Arts & Sciences)
- Manages and encourages the development of learning communities to improve the quality of the undergraduate academic experience.
- Develops linkages between various introductory level courses from different disciplines.

Mānoa Catalog (previously located in the Colleges of Arts & Sciences)
- Designs, edits, formats, and produces the Mānoa catalog, in consultation with all UHM units.
- Prepares and reviews the technical specifications for the printing, delivery, and distribution of the catalogs to UHM units.
- Oversees the development and maintenance of catalog websites.

ROTC Programs (previously located in the Office of Academic Affairs)
- Aerospace Studies
  - Aerospace Studies is directed by a manager who performs as the Professor of Aerospace Studies (PAS) and as the Commander of the U.S. Air Force Reserve Officers' Training Corps (AFROTC) Detachment 175. On academic matters, the PAS reports to the Associate Vice Chancellor of Undergraduate Education, and for military matters, the Detachment Commander reports to the Commandant of the AFROTC Southwestern Region located at Randolph Air Force Base, Texas.
  - The PAS manages the AFROTC program for the State of Hawai‘i. The program provides aerospace studies covering air force leadership, history, technology, management, and military law. It administers the AFROTC College Scholarship Program in Hawai‘i and includes USAF Officer Career Counseling services to high school and college students, scholarship funding and student expense reimbursement, and insures compliance with federal and USAF regulations. It maintains the joint University of Hawai‘i and the U.S. Air Force ROTC Memorandum of Agreement and assists in the administration of the Uniform Commutation Fund. The program maintains liaison with and provides instruction in aerospace studies for the following:
    1. Non-host crosstown institutions (degree granting)
       a. Chaminade University of Honolulu
       b. Hawai‘i Pacific University (Downtown & Hawai‘i Loa)
       c. Brigham Young University of Hawai‘i
       d. UH West O‘ahu
       e. Wayland Baptist University of Hawai‘i
       f. University of Phoenix
    2. Non-host institutions—Honolulu Community College, Kapi‘olani Community College, Leeward Community College, Windward Community College
  - The PAS administers the Air Force Officer Quality Test to all USAF officer candidates and AFROTC scholarship applicants, budgets and manages the local AFROTC national advertising account, provides information on the Junior Air Force ROTC program, and maintains liaison with the USAF Academy, Hawai‘i Air
Military Science

- The functions of the Military Science Program (Army ROTC) are to attract, motivate, and prepare selected students with potential to serve as commissioned officers in the regular Army or the U.S. Army Reserve to provide an understanding of the fundamental concepts and principles of military art and science; to develop leadership and managerial potential, a basic understanding of associated professional knowledge, a strong sense of personal integrity, honor, and individual responsibility, and an appreciation of the requirements for national security.

Service Learning (previously located in the Office of Student Affairs)

- Offers UHM students and community agencies the opportunity to participate in a partnership of volunteer services.
- Functions as a clearinghouse linking students interested in donating time and experience with volunteer agencies within the community.
- Coordinates grants received for service learning.
- Provides programming to coordinate and infuse volunteer programming into learning pedagogy. Reports on measures and metrics to determine costing and outcomes.
- Serves as the headquarters for Hawai'i/Pacific Islands Campus Compact, a membership organization comprised of presidents and chancellors to promote civic engagement in higher education. Hawai'i/Pacific Islands Compact also provides opportunities for students to become members of AmeriCorps, a federal service program.

Student Athlete Academic Services (previously located in the Colleges of Arts & Sciences)

- Provides comprehensive support services to assist student-athletes in clarifying life/career goals and developing meaningful educational plans to help them attain those goals, while maintaining NCAA and conference eligibility.
- Provides ongoing individual and small group academic advising to prospective, first-year, and continuing student-athletes.
- Provides accurate information about institution, college, Athletic Conference and NCAA policies and procedures to student-athletes, faculty, coaches, and staff.
- Monitors academic eligibility and satisfactory academic progress of assigned student-athletes according to NCAA and Athletic Conference policies and procedures and provides the required documentation.
- Provides services for new freshman and transfer student-athletes through orientation programs, workshops, and individual appointments.
- Supports the academic success and retention of student-athletes by providing a wide range of academic support and tutorial services.
- Consults with coaches and Athletic Department staff regarding student-athlete concerns.
- Develops and implements support programs to meet the needs of student-athletes including academically at-risk student-athletes who may be under-educated and/or learning disabled.
- Develops and implements programming in the five areas of Life Skills for student-athletes as mandated by the NCAA: academic development, athletic development, personal development, career development, and community service.
- Determines satisfactory academic progress and takes appropriate academic action in response to queries from other offices and programs, and for the purposes of maintaining the academic standards of the institution.
• Develops and conducts assessments, collects and distributes information, prepares formal and informal reports regarding student-athlete needs, preferences, and performance for use in making departmental and institutional decisions and policies.

• Ensures compliance with all applicable federal laws, with a priority on SEVIS compliance.
• Administers selected scholarships and tuition waivers designated for international students.
• Provides data on non-immigrant students to internal and external organizations.
• Serves as an advocate for international students.

Study Abroad Center
• The UHM Study Abroad Center, in cooperation with its Council, offers study abroad programs for a summer, a semester, and an academic year that enable UHM students to fulfill general education, focus, diversification, major, certificate, and graduation requirements in various locations around the world. Its primary responsibility is to serve the intellectual needs of students consistent with university policy and to provide venues for faculty participation from across the Mānoa campus as resident directors for teaching, faculty development and enrichment opportunities.
• The Council on Study Abroad guides the Center in accordance with its By-laws and Charges. The Council is mandated as a permanent standing committee of the Mānoa Faculty Senate and appointed by the Faculty Senate Executive Committee. It works cooperatively with the Study Abroad Director and is integrally involved in the areas of policy, academic program development, program assessment, and—most critically—the selection of faculty members to direct individual study abroad programs. The Council is not a sub-committee of a larger committee of international programs; rather it will provide representatives to other committees to facilitate information.
• The UHM Study Abroad Center specializes in overseas academic program development, implementation, delivery, student health, safety, security, risk assessment, and management through a variety of means, including on-site inspection and program evaluations in accordance with WASC standards.
• The Center provides training for faculty resident directors in health, safety, risk and liability as well as provides pre-departure cross-cultural training for students as part of the Center’s standard of care.
• The Center operates as a self-sustaining unit and utilizes the funds it generates to support its programs.

• Provides UH faculty in appropriate disciplines the opportunity and support to conduct instructional research.
• Fosters communication and joint inquiry with similar centers nationally and internationally by forming and maintaining exchange and liaison relationships with universities in Asia and the Pacific region.
• Facilitates interchange of information among researchers within the University of Hawai'i system who are concerned with higher education and:
  • discipline-centered organizations that foster higher education research, e.g., MLA, APA, College Science Improvement Program, etc.
  • by electronic bulletin boards, on-line information systems, coordinating committees, publications, and conferences.
• Contributes to campus bulletins to inform faculty of the Center's activities, findings, and conclusions in higher education research, which will well be integrated with publications by the Center for Teaching Excellence and the Office of Faculty Development and Academic Support.
• Sponsors and facilitates national and local conferences, seminars, workshops on research projects, which enhance teaching and learning.
Center for Instructional Support

The primary mission of the Center for Instructional Support is to provide the university community with support for instruction through the use of technology and technology-related services. The Center's major functions include the following:

- Consults with Mānoa academic units and individual faculty and students to help them plan and provide the richest possible learning experiences for students, and to assist them in using instructional technology effectively within that context.
- Conducts a variety of workshops and training sessions that enhance instruction through the use of technology.
- Ensures that appropriate and desired instructional equipment are easily accessible to faculty and students, through classroom installations and a system of equipment pools.
- Ensures that requirements for appropriate learning technologies are included in all university academic planning and budgeting documents.
- Monitors Mānoa classrooms and laboratories to ensure the best possible environment for teaching and learning; serves as advocate for the faculty in the design of all new construction and renovations of classroom facilities; and serves as ombudsman to resolve faculty and student concerns about classrooms.
- Schedules and maintains four 30-seat dedicated multimedia classrooms and one 156-seat auditorium for courses requiring occasional access to classrooms equipped with the latest technologies.
