INSTRUCTION

- Offers courses to meet the major needs of major programs in each discipline and the needs of general education and lower division students;
- consults and cooperates with other divisions on curricular matters.
COLLEGE OF PHARMACY

Provides the academic curriculum leading to the Doctor of Pharmacy (Pharm.D.) degree.

OFFICE OF THE DEAN

In the UHH system, deans of colleges report to the Vice Chancellor of Academic Affairs who in turn reports to the Chancellor. In addition, deans frequently interact with the Chancellor at various events throughout the year.

The College of Pharmacy functions as an autonomous unit within the system, with the dean serving as the chief academic officer and being responsible for many functions including:

- establishment of a pre-pharmacy curriculum for implementation throughout the system;
- development of the plan to develop and secure approval for implementation of the founding class of Pharm. D. students;
- acquiring precandidate status with ACPE, and regional accreditation with WASC;
- prepare and secure approval of annual budgets and start-up funds; development of plans for a new pharmacy building;
- obtain approval and recruit the administrative team for the UHH-COP;
- continue with recruitment of faculty members for the UHH-COP;
- secure affiliation agreements with key health systems and pharmacies to provide clinical instruction and shared faculty positions;
- prepare annual applications for Federal funding; organize and implement outreach programs for various stakeholders in the pharmacy program;
- develop and implement a fund raising program; nurture relationships with potential donors;
- secure funding from the State, Federal, Corporate, and private sectors; serve as a primary advocate for the College;
- represent the College in the internal and external environment; create and foster a positive environment for faculty, staff, and students;
- provide leadership and financial plans to meet the goals of the College; lead the College in obtaining and maintaining Accreditation Council of Pharmacy Education accreditation;
ensure effective services to students; provide budgetary administration and leadership;

ensure administration and operations of the college reflect the diversity of the stakeholders' cultures and thinking;

initiate and support the development of sustained academic partnerships and collaborations;

serve as lead facilitator for academic, curricular, and research programs;

develop and maintain excellence in instructions and research programs through recruitment and retention of high caliber faculty;

facilitate and develop the adoption of best and promising curricular instructional delivery and research practices;

personally engage in scholarly activity;

support professional development of faculty and staff;

provide leadership and support for initiatives that foster the dissemination of knowledge;

provide leadership, direction, and support in implementing vision, mission, strategic plan, and commitments of the College;

in collaboration with faculty and higher administration, develop, coordinate, and achieve short- and long-term goals of the College, University, and System;

foster alumni morale and include alumni in strategic planning;

foster networking and career services for students and alumni; serve as the primary advocate with various legislators;

coordinate activities with international organizations to further promote the reputation of the College;

encourage and support faculty and staff in the area of grant development;

secure funding from various sources; collaborate with the UH Foundation;

ensure the development of credit and non-credit programs to serve the needs of constituencies;
OFFICE OF THE ASSOCIATE DEANS

Associate Dean of Academic Affairs

- Provides leadership in development and ongoing evaluation of the curriculum for the Pharm. D. program;
- Oversees priorities in academic affairs for COP that include, but are not limited to, securing ACPE accreditation;
- Recruitment, admission, and graduation of professional students;
- Hiring and retention of faculty; management of staff support personnel and resources;
- Other relevant activities to the academic offerings of the College;

Associate Dean of Research

- Lead the quest for scholarship of pharmaceutical and interdisciplinary sciences in the COP;
- Develop and sustain the COP's relationships in its scientific mission and vision throughout the UH system, UHH, and globally among academic institutions and/or pharmaceutical industries;
- Oversee the research mission and direct the establishment and continuation of funded research programs among the faculty;

ACADEMIC SUPPORT UNITS

Student Affairs

- Administer and manage the Office of Student Affairs specific to the COP. Responsible for implementing student services in accord with the ACPE standards;
- Plan and organize programs for students relative to recruitment, admissions, monitoring, and graduation;
- Inclusive of creating and maintaining a student information system;
- Work with academic administrators and/or faculty in formulating and implementing policies and programs specific to COP students.

Library

- Responsible for a wide variety of academic library public services duties with emphasis in the areas of pharmacy and health sciences, including delivering reference services;
- Participating in library instruction activities;
STATE OF HAWAI'I
UNIVERSITY OF HAWAI'I
UNIVERSITY OF HAWAI'I AT HILO
FUNCTIONAL STATEMENT
COLLEGE OF PHARMACY
Page 4

- assisting with health related library lending; providing outreach to
distance learners and pharmacy partners and support to faculty
teaching distance education courses;

- working with faculty to improve library services;

- performing assigned collection development responsibilities;

- serving on Library, UHH, and UH System committees; and other duties
as assigned.

DEPARTMENTS

Each respective department will develop curricular programs, in
accordance with accreditation guidelines, that lead to the Doctor of
Pharmacy degree within respective departments.

- Coordinate curricular offerings between departments through
appropriate consultation;

- Coordinate on-campus courses with distance learning based courses
and pharmacy practice courses throughout the state;

- Review and process personnel transactions, administer student help,
and the operating and equipment budgets.

Community Partnerships

- Designed to capitalize and harness Hawai'i's rich landscape of
diversity among peoples, cultures, islands, healthcare systems, and
pharmacy practices;

- this department will build partnerships for the COP in research,
practice, education, and community outreach;

- the Director works collaboratively with the Dean's administrative team
in building and sustaining community partnerships.

Pharmaceutical Sciences

- Oversee the scientific base of the Pharm. D. program and lead the
faculty in implementing the professional curriculum that provides the
scientific underpinnings of pharmacy practice;

- administer and manage the faculty in program delivery of teaching and
research initiatives;

- recruit, mentor, and retain faculty with expertise in basic and
pharmaceutical sciences.
Pharmacy Practice

- Oversees the education of professional practice in the Pharm. D. program;

- Lead the faculty in implementing the curriculum that forms the foundation of professional pharmacy practice as a health discipline;

- organize the faculty to implement and evaluate professional education initiatives;

- build the clinical foundations of the Pharm. D. program via a professional network of partnerships among health systems within the state, nation, and world.

Innovation and Products

- Objectives include design, implement, and evaluate programs in research, education, and practice that apply Bioinformatics and technology for COP faculty and students;

- The Director will apply the IOM core competency related to Informatics in the Pharm. D. program via collaborative working relationships with the Associate Dean of Academic Affairs and Department Chair of Pharmacy Practice;

- This position works closely with the Director of Student Affairs for computerized dataset in the Pharm. D. program.
