STUDENT LIFE & DEVELOPMENT

FUNCTIONAL STATEMENT

STUDENT LIFE & DEVELOPMENT – Org Code: MASLD

The Office of Student Life & Development reports to the Vice Chancellor for Students and pursues as its primary mission the provision of a spectrum of involvement and learning opportunities for students through innovative programs and quality services which promote leadership, life skills, and personal development while enhancing campus life. In fulfilling this mission, the Office of Student Life & Development pursues two basic goals: 1) to provide co-curricular programs and learning opportunities which contribute to the quality of life for students by meeting their intellectual, social, recreational, physical, emotional and moral development needs; and 2) to promote leadership and self-direction among those students who become involved in managing student life activities on campus or who assume an active partnership role in campus governance. Inherent in pursuing these two goals are a product outcome and a process outcome, both of equal importance. Through the delivery of services and programs (the product) that meet the developmental needs of the general student population, the Office of Student Life & Development involves students in organizational governance (the process) that fosters the development of personal and organizational leadership.

Student Life & Development is comprised of the following sections:

ADMINISTRATIVE & FISCAL SUPPORT – Org Code: MAASSL
STUDENT UNION & CAMPUS LIFE SERVICES – Org Code: MASUSL
INTRAMURAL RECREATIONAL SERVICES – Org Code: MAIRSL
STUDENT INVOLVEMENT & LEADERSHIP DEVELOPMENT PROGRAMS — Org Code: MASISL

Each of the above offices contributes to the fulfillment of the department’s mission by performing a differential ratio of the five core functions below.

The mission and goals of the department of Student Life & Development are fulfilled through five core functions: program or service administration; organizational advising & support; facility operations; organizational training & development; and staff efficacy & renewal as described below.

Program or Service Administration is a core function that involves the coordination and oversight of programs and services offered by the department. This function includes such tasks as the continuous analysis of service/program operations to improve operational efficiency and effectiveness; the development of scope of service/program changes to respond to assessed needs; supervision of service or program operations; the development of systematic marketing to promote use of program or service; the assessment of service or program for customer use, satisfaction, and cost benefits; the identification and analysis of preventive maintenance and repair of service area or program needs; and the administration of vendor contracts applicable to service area or program.

Organizational Advising & Support is a form of counseling and offering educational assistance to students in groups. This form of educational assistance involves assessing student and organizational needs; and instructing and counseling students to develop their interpersonal and leadership skills to work effectively in organizational or team settings. This also involves articulating and advocating the needs and interests of students to the University and conversely, representing, supporting, and communicating the University’s mission, institutional needs, and policies to students and student groups. Additionally, this core function involves providing fiscal oversight and program coordination for activities and programs offered by assigned student groups.
**Facility Operations** is a core function that involves the oversight of facility management and maintenance of the Campus Center, Hemenway Hall, and other related student life facilities (e.g. student publications buildings, intramural sports and recreational leisure facilities, etc.). This function includes analyzing facility operations; developing short-range and long-range plans for preventive maintenance and repairs; monitoring and directing the renovation, expansion and repair projects for facilities including replacing equipment and furnishings; and administering maintenance contracts for major mechanical systems including air conditioning, electrical system, gas & water systems, elevators, etc. This also requires that facility operating hours are adhered to, that facilities and services are properly prepared for opening and closing, and that proper controls are in place for facility security, key access, etc. to assure the safety and maintenance of buildings, grounds, and persons.

**Organizational Training & Development** is another core function that is delivered via instruction in both classroom and out-of-classroom settings. This function includes such tasks as researching existing literature, websites, and journals on assigned training topics; formulating learner outcomes; designing instructional methods and materials to achieve learner outcomes; delivering instruction and training; and evaluating instructional methods and materials to refine and improve training.

**Staff Efficacy & Renewal** is a core function that promotes continuous staff development to enhance individuals' effectiveness in serving students with intentionality and efficacy. This function acknowledges the need to develop those professionals who serve and develop students.
