STATE OF HAWAII
UNIVERSITY OF HAWAII AT MANOA
SUMMER SESSION

MAJOR FUNCTIONS

The principal function of the Summer Session is to provide a program of courses designed to meet the general and special educational needs of summer students. Summer Session is therefore responsible for personnel matters involving from 33 visiting faculty and over 515 resident faculty drawn from nearly all the departments of the University of Hawaii; student matters involving over 16,000 students; fiscal administration of a budget exceeding one and a half million dollars; planning and management of curricular programs comprising upwards of 1000 classes; and administering of extensive and comprehensive extra-curricular programs.
