The University of Hawaii at Hilo is comprised of five major educational delivery units: College of Arts & Sciences, Hawaii Community College, the College of Agriculture, West Hawaii Program, and the Center for Continuing Education and Community Service. In addition to the instructional components, there is a wide range of support activities grouped under the following headings: Administrative Services, Library Services, and Student Services. The role of the campus is complex in that it offers a broad range of higher education activities, coordinated under a single administration, designed to meet most of the post-secondary education needs for the citizens of the State of Hawaii.

OFFICE OF THE CHANCELLOR

Within the policies and guidelines set forth by the President of the University, its Board of Regents, and by the State of Hawaii, the chief executive officer of the University of Hawaii at Hilo provides leadership, direction, and coordination for the students, faculty, and staff of the Hilo and West Oahu campus in their programmatic activities. More particularly, the Office of the Chancellor:

- Directs the development and implementation of the academic, fiscal, and physical plans of the University of Hawaii at Hilo;
- Interprets the objectives and development of the University of Hawaii to the citizens of the County of Hawaii and Oahu, to the alumni community, and to the students and their parents;
- Provides executive leadership in the administration of the instructional, research, and public service programs;
- Maintains effective working relationships with the Central Administration of the University of Hawaii, the University of Hawaii at Manoa, West Oahu College, and the Community Colleges; and
- Acts on behalf of the President of the University on all matters affecting the University in the County of Hawaii; and also assumes delegated responsibility for the coordination of the activities of the Cloud Physics Laboratory, the Institute of Astronomy-Mauna Kea Observatory, the Beaumont Agricultural Research Center, and the Cooperative Extension Service.
COLLEGE OF AGRICULTURE

Offers an agricultural program leading to a Bachelor of Science in Agriculture degree with emphasis in crop production, animal production, and general agriculture.

OFFICE OF THE DEAN

Directs activities, curricula, and personnel in the College of Agriculture. Directs activities and personnel of the University of Hawaii at Hilo Agricultural Farm Laboratory.

- Coordinates instructional activities.
- Recruits and retains qualified faculty and research staff members.
- Formulates and defends financial plans.
- Allocates funds to various programs.
- Controls the expenditure of funds.
- Develops and maintains quality instructional, research, and community service programs.
- Maintains communications with agricultural governmental agencies, client groups, and the general public.

INSTRUCTION

Prepares students with broad and full understanding of the basic factors involved in production, management, processing, distribution, marketing, sales and services in the field of agriculture.

- Provides courses and training for students planning agricultural careers.
- Ensures that students complete a core of basic science courses and substantial courses in general education.
HAWAII COMMUNITY COLLEGE

Offers vocational-technical and general education courses and programs leading to Certificates of Achievement and the Associate of Arts and Associate of Science degrees.

OFFICE OF THE PROVOST

Directs the activities, curriculum and personnel of Hawaii Community College. This office coordinates all instructional activities to assure the orderly operation of vocational and general education programs.

- Coordinates overall instructional activity to assure that the programs meet student, Board of Regents, accreditation, community, and business needs.

- Coordinates and serves as liaison between the College and the community to assure that community and student needs and interests are met.

- Coordinates the on-going and new instructional programs of the College with the public schools, other community colleges, and the University of Hawaii system.

- Coordinates the activities of the existing programs which require the supervision of appropriate liaison between the college and community such as labor unions, business associations, private and non-profit organizations and hospital and medical affiliates required for the programs. Communicates with various county and state agencies which require licensure approvals and contracts.

- Coordinates the federally funded projects with the various state, county and federal offices which manage the allocation of the funds. Each project requires separate contracts which need to be managed between the University's Contracts and Grants Office and county, state, and federal agencies.

- Coordinates the liaison between each of the twenty-two programs and its program advisory committees. The members of the committees are appointed by the College. Members meet each semester to review recommendations from each program as well as consider the changing needs of the community.

- Participates and joins community and civic organizations to provide a liaison between the community in general and the College. Close working relationship between the college and community is required to provide a mechanism for mutual understanding.
OFFICE OF ASSOCIATE DEAN

Responsible for the academic support functions including planning, supervising, coordinating, communicating, reviewing, evaluating, and making recommendations for the academic programs of the College.

- Supports staff through development of in-service training programs for new and continuing staff. Evaluations are made of faculty in their teaching and support is given to strengthen classroom instruction.

- Reviews curricular materials with faculty for clarification and development of program objectives. Provides leadership to faculty in revising curriculum and assisting in articulating curriculum between and among community colleges and other colleges of the University of Hawaii at Hilo.

- Reviews the level of instruction by faculty for appropriateness in relationship to student progress. Shares with the students their concerns over the instruction provided by faculty. Give counseling and advice to students who need additional assistance or change of majors or provide assistance in measuring academic progress.

- Assists in the development of program reviews through providing information, lending support in the assessment and writing of these reviews for all of the programs.

- Assists in the development of new programs needed in the community. Develops the program needs and assessment for the program, assists in developing the curriculum and articulates with other colleges in the system for development of programs.

- Assists in the writing of project proposals with faculty and staff. Provides information to support proposals from various sources. Assists faculty in reviewing the various sources of funding for project proposals.

DISADVANTAGED/HANDICAPPED PROGRAM

Provides counseling, advising, and tutoring services for our disadvantaged and handicapped students.

- Maintains good relationship with students and faculty.

- Plans, recruits, schedules, and controls the tutorial program financed by Vocational Education funds.
Assesses and assists in the planning of the Vocational Education proposals for disadvantaged and handicapped students.

Communicates with students, staff, and administration clarifying informing, and resolving issues and problems.

Keeps a record of activities, expenditures, and submits final evaluation of the tutorial program.

Plans, evaluates, and selects and purchases instructional materials and equipment as designated in the budget.

DIVISIONS (General Education and Public Services, Business Education and Affiliated Programs, Trade and Industry)

Develops coherent programs among the disciplines within the respective divisions.

Coordinates curricular offerings among the disciplines.

Offers courses to meet the major needs of major programs in each discipline and the needs of general education and lower division students.

Consults and cooperates with other divisions on curricular matters.

Reviews and processes personnel transactions, administers student help and the operating and equipment budgets.
COLLEGE OF ARTS AND SCIENCES

Provides for baccalaureate degree programs leading to the Bachelor of Arts in the Social Sciences, the Humanities and the Natural Sciences, and the Bachelor of Business Administration.

OFFICE OF THE DEAN

Responsible for the overall activities, curricula and personnel of the College of Arts and Sciences.

- Responsible for faculty personnel actions, faculty recruitment and affiliate faculty.
- Maintains liaison with College Senate and Senate Executive Committee, other Deans, Directors and Chancellor.
- Responsible for overall curriculum development and long-range planning.

DIVISIONS (Business Administration and Economics, Humanities, Social Sciences, and Natural Sciences)

- Develop coherent programs among the disciplines within the respective divisions.
- Coordinate curricular offerings among the disciplines.
- Offer courses to meet the major needs of major programs in each discipline and the needs of general education and lower division students.
- Consult and cooperate with other divisions on curricular matters.
- Review and process personnel transactions, administer student help and the operating and equipment budgets.
OFFICE OF THE DIRECTOR

Provides overall leadership, program direction, evaluation, and development, coordination and administration of CECES. Supervision of coordinators, secretary and account clerk, and special project staff. Meets with individual coordinators; conducts staff meetings; oversees new program development.
