Provides a comprehensive post-secondary instructional program including continuing education, career education, and general education courses. Career education programs lead to certificates and Associate in Science degrees and are designed to prepare the graduate for entry-level employment. General education courses may lead to terminal associate degrees or transfer to baccalaureate degree programs offered on the four-year campuses. At present, this College provides the following programs:

- Accounting, agricultural careers, apparel design and construction, drafting technology, auto body repair and painting, auto mechanics, building maintenance, carpentry technology, criminal justice, food service, general office training, hotel operations, human services, ADN/PN nursing, sales and marketing, secretarial science, welding technology, and general education including mathematics, science, language arts, humanities, and social science.
- College transfer courses in the business science, mathematics, and liberal arts programs.
OFFICE OF THE PROVOST

Office of the Provost provides for the overall management of Maui Community College and for achieving the objectives of the College. The Office:

- Directs and coordinates activities and personnel in the instruction, community services, academic support, student services, and institutional support programs.
- Develops and updates the College’s long-range educational development plans; determines and implements the annual instructional plans.
- Maintains accreditation and instructional program standards as promulgated by the Accrediting Commission for Community and Junior Colleges, the State Legislature, and University of Hawaii Board of Regents, President, and Chancellor for Community Colleges, and other governing bodies; continues relationships with profession associations to maintain institutional quality and vitality.
- Coordinates the development of a campus master plan, integrating the College’s educational development plan and six-year operating budget; determines the College’s Capital Improvements Program and Repairs and Maintenance Program consistent with the campus master plan; continually reviews the current status to planned schedules.
- Evaluates College programs to insure the effectiveness of the programs, determines performance objectives, develops strategies to achieve goals, develops policies and procedures, determines appropriate budgets, allocates resources to achieve stated goals and objectives, and monitors program progress towards stated goals.
- Coordinates the College’s budget process, including the formulation of the College’s biennium budget, six-year operating budget; prepares and provides testimony and other
information relating to the budget; executes the budget in accordance with legislative intent and the College's approved educational plans; insures proper financial management and conformance to existing policies and procedures.

- Creates and maintains a cooperative work climate for the faculty and staff; provides a training and professional development plan for the College covering each employee; evaluates and renders decisions on promotion, tenure, contract renewals, hiring, and excluded pay raises among others.

- Oversees student activities and governance to insure conformance to established University policies and procedures as well as consistency to the spirit of the intent of the creation of those student programs. Serves as the College's liaison and representative to the general community including the Maui County government, State legislators, various State and community agencies, organizations, and individuals. Assures community involvement and program quality through the establishment of lay advisory bodies to critically review instructional programs, the continuance of a fund-raising committee, and the creation of other committees as the need arises.
INSTRUCTION

Office of the Dean of Instruction directs all academic programs of the community college. The main functions of the office are to plan, organize, and conduct formal post-secondary education classes; maintain and improve ongoing certificate and degree programs; develop new programs; conduct ongoing evaluation of academic support programs; and maintain standard of accreditation. The Office:

- Supervises and participates in programs and curriculum development; off-campus credit programs; reviews instructional programs; revises programs and courses as needed.
- Supervises and coordinates the activities of division chairpersons including faculty recruitment, selection, training and evaluation; academic advising, planning, budgeting, requisitioning and recordkeeping; scheduling of classes; coordinating facility usage for instruction. Assesses resource and staffing needs, prepares biennium budget for the instructional and academic support areas.
- Plans, budgets, organizes, implements, and evaluates a staff in-service training program. Prepares grant applications; implements plans to carry out various federally funded programs.

Maui MBA

- Provides a cohort of students instructional courses for the Masters of Business Administration program.

ADDITIONAL SERVICES

The Office of the Director for Administrative Services provides for the various administrative support services and activities of the College which generally include administrative management, budget and fiscal services, personnel management, operations and maintenance, and computer services. The Office:

- Insures the College operates within federal and State statutes, established policies and procedures of the University of Hawaii and Maui Community College; informs the campus community of applicable policies, guidelines, procedures, forms, and alternatives available in accomplishing tasks; and determines campus administrative policy as appropriate.

- Reviews and assists in the preparation of the College’s long- and short-term educational plans, accreditation self-studies, program reviews, special studies, etc.; makes corrections and recommendations for improvement; prepares and implements the short- and long-range plans for the Business Office and the Operations and Maintenance programs.

- Facilitates the College’s staff development program to ensure that employees are kept abreast of changes in rules, regulations, and procedures as well as technological advances that may affect their work.

- Performs and/or participates in special studies of interest of concern; makes recommendations, offers alternatives, corrects problems, discusses the facts, etc., as appropriate.

- Monitors all aspects of the activities of extramurally funded projects including critically reviewing the proposal ensuring the activities can be performed with available
resources and time frame, monitors progress, and follows up on reporting requirements.

- Responds to requests for information, especially from systemwide offices, State agencies, and legislators.

- Coordinates the budgeting for the College, including the biennium budget requests, six-year operating budget plan, the Capital Improvements Program projects, and the Special Repairs and Maintenance program requests; prepares the budget requests for the Business Office and Operations and Maintenance programs.

- Provides for the Business Office functions of procurement, personnel, payroll, cashiering, financial management, cash controls, telephone switchboard, campus mail, and budget execution.

- Provides for the proper maintenance and care of all physical facilities and properties of the College, including adequate security of the premises; prepares short-and long-range plans and implements them within the resources available; monitors CIP, energy conservation, Special R&M and other campus projects.

- Coordinates the computing services for the College, including hardware operations, data base management, and network communications.

- Collaborates with instructional program to provide food service to College.
PUBLIC SERVICE

Office of Public Service provides for all the non-credit instruction of the College, offers credit courses in the summer session program, and provides the administrative support to special programs as may be necessary. The Office:

- Coordinates, schedules, monitors, evaluates, and hires personnel for all non-credit instructional programs including apprenticeship related instruction courses, skill up-grading courses, self-supporting special interest courses, and senior citizen courses.
- Coordinates, schedules, contracts, and evaluates special programs including lectures, and performing arts programs.
- Coordinates the use of the campus facilities by State and County agencies and community organizations.
- Provides fiscal and administrative support to credit courses offered through the summer session program.
- Directs all College activities after 4:30 p.m. and on weekends.
- Provides administrative support services to other colleges within the University of Hawaii system which provide programs and courses on Maui.
- Provides assistance for economic development to support new and existing businesses, and to assist in providing continuing education courses through satellite instruction and teleconference programs.
