

Attachment B – General Bulletin Boards Monitored by Co-curricular Activities, Programs & Services

Posting of notices, posters, and other printed and written materials is permitted in the following designated bulletin boards located in or at the campus buildings specified below. General bulletin boards are classified as either **free speech boards** or **activity boards**.

Free speech boards, designated below with an asterisk (*), may be used for all notices, posters, and other announcements. The posting and removal of such notices and other written materials shall be self-regulated by University community members and RIOs. These boards are located in areas accessible for evening postings and which involve busy pedestrian traffic.

Activity boards are used to publicize programs, events, and activities of registered independent organizations (RIOs), chartered student organizations (CSOs) and University departments. These boards shall be monitored by Co-curricular Activities, Programs & Services personnel.
