Welcome to the University of Hawai‘i at Mānoa

The University of Hawai‘i at Mānoa is the flagship campus of the University of Hawai‘i system, the state’s sole public university. A land-grant, sea-grant, and space-grant institution, Mānoa offers a comprehensive array of undergraduate, graduate, and professional degrees through the doctoral level; carries out advanced research; and extends services to the community.

Located in the Mānoa valley on the island of O‘ahu, our university was founded in 1907 under the auspices of the Morrill Act as a land-grant college of agriculture and mechanic arts. Today more than 20,600 students are enrolled in Mānoa courses, on campus or via distance delivery.
