Note: Subtotals at the College / Division level are not equal to the vertical sum of Division / Departmental data; rather, each subtotal represents the number and percentage of SSH taken in the College / Division by a particular group of students. Data within a given row will sum horizontally.

1/ The Department of Curriculum and Instruction and the Department of Field Services merged to form the Department of Teacher Education and Field Services in Fall 1996. The SSH taken by own majors is the sum of SSH taken in the department by all majors in elementary and secondary education.

2/ Formerly known as the Department of Agricultural Engineering.

3/ SSH taken by own majors is the total SSH taken by students in the School of Medicine M.D. program.

SOURCE: Computer Report 1419, "Distribution of SSH Taken, By Department"
