2/ Education division established by the Chancellor in February 2009, retroactive to Fall 2008.

3/ Includes U.S. Possessions, Commonwealths and republics within the Compact of Free Association.

4/ Revised Institutional Exempt code assigned to students from the Pacific Islands who come from nations where there are no four-year institutions of higher education, effective Fall 2007. Students are charged 150% of resident tuition.

5/ New residency code for Hawai'i National Guard reservists, effective Spring 2007; students pay resident tuition.

6/ New field, effective Fall 2006. Non-citizens line item is new source for non-resident alien count, as reported to IPEDS (replaces visa status). The citizenship type field in IRO\_Base is more reliable than the visa status field when identifying U.S. citizens and non-U.S. citizens.

7/ First-time undergraduates to UH West O'ahu; includes first-time freshmen and students who are home-based at other UH campuses.

8/ New item added to the UH System Application form in Fall 2005. Shows sum of all those who indicated Hawaiian ancestry plus those who either did not answer the question or answered in the negative but who indicated Hawaiian ethnicity.

9/ With banner registration system, ethnic categories have been expanded. Students already enrolled prior to the change are reported under the ethnic category previously selected. Enrollment in the new ethnicity categories may be under-reported.

10/ Mixed Asian Pacific Islander category was renamed Mixed Asian as a result of the migration to banner in Spring 2003. Therefore, Mixed Asian Pacific Islander will no longer be reported as of Fall 2006.
