

UHM COE Elementary and Early Childhood Education (EECE) Program

Planning for the DUAL PREPARATION Program (84 credits)
(Elementary Education and Special Education)

Take these courses before the cohort program or during summers (15 credits):

Students are strongly advised to take these courses (15 credits) before entering the cohort program or during summers. **Students should not exceed 19 credits per semester** because of the intensity of the cohort program (e.g., two days of classes and 2 days of field experience [7:30 a.m. – 2:30 p.m.] each week in K-6 classrooms). Taking more than 19 credits requires EECE approval.

- EDEF 310 Education in American Society (3)—also can fulfill social science requirement in Mānoa core
- EDEP 311 Psychological Foundations (3)—also can fulfill social science requirement in Mānoa core
- ITE/EDEF 360 Introduction to Multicultural Education (3)—also can fulfill social science requirement in Mānoa core
- Arts/Movement Elective (3)
- SPED 404 Foundations of Inclusive Schooling (3)—Must be taken before cohort program

Take these courses during the cohort program, including summer (69 credits):

Students take these courses once they enter the cohort program. Students **should not take these courses before entering** the program. Each of these courses requires an electronic artifact for students' TK20 portfolio (graduation requirement), and students can submit artifacts only during the semesters when they are registered for the courses.
