

Technology & Distance Programs will establish and post a specific list of supported and non-supported software. Where appropriate, supported alternatives will be designated. Software in the non-support list is not eligible for troubleshooting assistance, TDP staff will assist only with uninstalling and changing to supported alternatives.

Supported software:

- Email

- Windows:

- Eudora
 - Outlook
 - Outlook Express
 - Thunderbird

- Mac:

- Entourage
 - Eudora
 - Thunderbird
 - Mac Mail

Non-supported software:

Incredimail

Other email software not specifically supported
