Dear Chancellor Konan:

I am forwarding to you a resolution passed unanimously by the College of Education Faculty Senate during its monthly meeting on Friday, March 3, 2006. This resolution was drafted to bring to your attention the consensus of the faculty regarding the status of the facilities of the College of Education (COE).

The Faculty Senate's Committee on Budget and Facilities has proactively developed a plan to initiate improving facilities through private fundraising to address Phase I of a proposed three-phase effort to provide the college with state-of-the-art facilities. This resolution urges you to consider moving to a higher priority the needs of the COE within the overall plans for capital improvement projects on the Mānoa campus.

Members of the Executive Committee of the Faculty Senate would welcome an opportunity to discuss this issue with you at a time convenient for you. You may reach me at 6-2653 or by email at [jeanj@hawaii.edu](mailto:jeanj@hawaii.edu).

We thank you for your time spent reviewing our resolution.

*Aloha,*

Jean Johnson, DrPH  
Chair
