- 2 surf shop
- waste into
- make your own race
- power
- Burger King
- junk in the way
- power
- 2 arches
- 2 treated aqua
- 2 arches
- 1 trails
- 1 forest
- 2 tunnels in mountain

J - I chose to live where I did because I live next to lakes and the city. I also chose to live there so I can take water to my crops and animals on the mountain.

L - I chose to live there because I have five beaches and mountains not too far for food, lakes close for swimming.

A - I chose this place because I live by the fresh water pond and I could take my time by getting to the store and cause I love the country.
