University of Hawai'i credit

UH credit courses offer University of Hawai'i 500-level credit, which is not applicable towards degree or (DOE) salary adjustment, but can be applied towards re-certification.

Separate UH credit registration is **required** to participate in courses that offer UH credit. **You will be charged a separate Course Administrative Fee (CAF) of \$124.00 when you register for credit.** This fee is non-refundable.

Your confirmation letter will contain instructions for credit registration via the MyUH online portal. It is a multi-step process and takes some time to complete.
