GUIDELINES FOR UNDERGRADUATES ENROLLED IN THE

UHM INDIA STUDY ABROAD PROGRAM

These guidelines help you tailor your application to the India Study Abroad program.

Application Form:

Here is how you fill Section C, which asks you for some program related information.

1. Title of Project/Program: UHM Study Abroad Center India Program at Ambedkar University, Delhi, India
2. Site(s) of proposed study/research in India: Delhi
3. Dates: The duration of the term at Ambedkar University (the award can be used for either fall or spring)
4. Project summary: What you will be studying, including excursions
5. Total number of months: 4
6. Is a foreign language required: NO
7. Please write in N/A
8. Total Cost of the program: $11,000.00 (You do not have break it down; simply note the cost of the UHM India Study Abroad Program)

2-3 page double-spaced essay:

As you are writing the essay, keep in mind that the scholarship was set up to promote an understanding and appreciation of Indian culture and contemporary issues.

The essay should highlight your reasons for undertaking a study abroad program in India. Why are you interested in a plan of study in India? What do you expect to learn from the courses you will be taking, the immersion in the culture, and the extra-curricular activities that the program will offer? Lay out your plan of study by explaining the value of the India-related courses you plan to take while you are at the Ambedkar University. If certain courses you have already taken sparked your interest in studying abroad in India, you can say that. Since you will be enrolled in a structured program, you do not have to worry about “preparedness to complete the program” (see second page of the application material).

If you have questions, please contact Prof. Monisha Das Gupta (dasgupta@hawaii.edu).
