

# RIO 500 prize!!! CHALLENGE

How does your organization think of or view diversity on campus? Has the organization initiated an activity or project that impacted the campus climate by demonstrating inclusiveness of any marginalized groups? For example, those who have a disability, are of a different religion, sexual orientation, or underrepresented in higher education. If your RIO has taken any steps to address these diversity issues then here is a challenge...

Submit a cover letter that includes-

- name and description of your RIO
- a brief description of the project or activity
  - What were the goals of the project?
  - Who was the project for?
  - What were the outcomes of the project?

-include any supporting materials of the project  
(flyers, advertising, letters of recommendation, feedback)

\*project completed during the Spring 2010, Fall 2010, or Spring 2011 semesters
