

To Whom It May Concern:

**The Inter-University Center for Japanese Language Studies** invites applicants for its intensive training in advanced spoken and written Japanese program in Yokohama, Japan. The program is designed to bring each participant to a level of proficiency sufficient for advanced academic or professional use. Training focuses on development of the ability to converse in Japanese on specialized subjects, to comprehend and deliver public presentations, and to read and write materials in Japanese in order to function professionally in academia, business, government, and other fields.
