

BSP-9
Confidentiality Agreement

The undersigned hereby acknowledges and agrees to the following:

1. All Confidential Information provided shall be held in trust and kept confidential by the Undersigned and shall be used only for the evaluative purposes of the UH IBC.
2. All Confidential Information will be identified by UH with asterisks (*).
3. Confidential Information shall not be copied or reproduced in any manner.
4. The Undersigned shall not disclose to third parties, directly or indirectly, any portion of the Confidential Information.
5. The Undersigned shall not make any use of Confidential Information in the Undersigned's research, instructional or commercial development activities without the written consent of the UH IBC. This Confidential Agreement shall not apply to information known by the Undersigned or generally known in the field or industry prior to the date of this agreement, or becomes, through no fault of the Undersigned, common knowledge within the field or industry thereafter.
6. Upon completion of the evaluation by the UH IBC, the Undersigned shall assemble and return to UH all Confidential Information, including all copies thereof.

By my signature below, I certify that I have read and understand this document and I agree to terms and conditions set forth above.
