- ◆ **I fully recognize and appreciate the dangers and hazards inherent in diving to which I may be exposed** during diving, including but not limited to arterial gas embolism, ear and/or sinus barotrauma, decompression sickness, drowning, near-drowning, and/or dysbaric osteonecrosis and other long-term effects, as yet poorly defined, and also during transportation to and from dive locations. I do hereby agree to assume all the risks and responsibilities surrounding my participation in diving or any independent research or educational activities undertaken as an adjunct thereto;

- ◆ **My participation in diving is voluntary**; that I have the right and responsibility to refrain from diving if I feel the activity or conditions are not safe, that my fitness is not adequate for the dive, or for any other reason of safety. I understand I will not be penalized in my employment or academic record for any such refusal.
- ◆ **My authorization to dive is a privilege granted upon compliance with UH requirements.** I will follow the rules and precautions for conducting diving operations that are part of the requirements for my authorization to dive under UH auspices, as set forth in the UH Diving Safety Manual, as well as those procedures explained to me by the UH Diving Officer or his/her agents, and I agree to strictly observe these rules. I understand that failure to comply may result in review, restriction, or revocation of my authorization to dive under University auspices by the UH Diving Control Board.
