*Room changed to BSB 222P as of Oct. 7, 2009 (originally in BSB 222N).

- Registration for all trainings is required:
 - Email jabsom-ehso@hawaii.edu to register for Lab Safety and Hazardous Waste Generator trainings.
 - Email Steve Case stevec@hawaii.edu to register for Biosafety trainings.
- Trainings may be canceled or rescheduled; you will be notified if you registered.
- Initial Hazardous Waste Generator Training is site-specific and therefore **cannot** be taken at UH Manoa.
- If the lab safety training schedule does not work with your schedule, please contact jabsom-ehso@hawaii.edu; in most circumstances, other arrangements can be made or you can take the similar training at UH Manoa <http://www.hawaii.edu/ehso/lab/training.htm>.
- If the schedule for initial biosafety or annual biosafety training does not work with your schedule, email Steve Case stevec@hawaii.edu about other options. The *Manoa* Initial Biosafety does **not** include the Initial Bloodborne Pathogens training portion.
- **Initial Radiation Safety Training** is only offered at UH Manoa <http://www.hawaii.edu/ehso/radiation/training.htm>.
