Aloha UH Divers,

With the recent revision of the UH Diving Safety Manual, a revised version of the UH Dive Log Form has been released and is available for download on the UHDSO website:

<http://www.hawaii.edu/ehso/diving-safety-forms/>

The new revisions will allow better tracking, categorization, and reporting of UH diver activity, as required by AAUS. Please use the newest revision of the Dive Log Report Form for future dive log submissions.

Aloha, and Mahalo for your Kokua,

Dave
