<http://www.hawaii.edu/sitelic/endnote.html>

Sign up for EndNote Web

<http://www.endnoteweb.com/>

Getting Help from UH Library staff

The following members of the library staff are all experienced EndNote users and can be contacted for help:

Susan Johnson	Social Sciences Librarian	susanj@hawaii.edu
Eileen Herring	Plant Sciences Librarian	eherring@hawaii.edu
Sara Rutter	Science/Technology Librarian	srutter@hawaii.edu

Getting Help online

The EndNote website has an email help service go to <http://www.endnote.com/support/ensupport.asp> and click on the email technical or email customer support links. It can take up to 3 working days to get a response.

You may also find it useful to join the email listserv, also accessible from the support page. Listserv archives can be found at: <http://lists.adeptsience.co.uk/endnote/>

Try an online EndNote tutorial

Lynn Tabata's tutorial at: <http://www2.hawaii.edu/~ltabata/endnote/>

UH Manoa licensed databases that can export references into EndNote

This is a guide only. If the ability to download results from a particular database is critical to your decision to use EndNote, you should contact Susan Johnson, who will check this for you.

DI = Direct Importing

FF = Filter File

CF = Connect File

(this list was last checked with EndNote 10 and UH databases in September 2007)

- The University of Hawaii library catalog and many other library catalog records can be used with a **connection file** (called **Online Search** in EndNote X1) to download references into EndNote.
- **Google Scholar** also has Direct Import enabled – set it up in *Preferences*.
