Health Insurance

International students at the University of Hawaii are required to have health insurance, either from their home countries or purchased in the US. If you do not have your own insurance, the following companies offer online application for health insurance to international students.

www.a-i-p-i.com

www.culturalinsurance.com

www.compassbenefit.com

www.isoa.org

www.international-student-health-insurance.com

www.psiservice.com

(Please note that neither UH nor HELP is endorsing these companies.)

I understand that I am responsible for having health insurance while enrolled at HELP. I have provided a copy of my home health insurance OR I will purchase insurance here in the US and will provide a copy of that policy to HELP.
