

General Education: Special Graduation Requirements Hawaiian / Second Language (HSL)

STUDENTS SHOULD NOT RELY ON THIS DOCUMENT; ALL STUDENTS SHOULD CONFIRM THEIR GENERAL EDUCATION REQUIREMENTS WITH AN OFFICIAL COLLEGE ADVISOR.

Colleges/Schools that require the full HSL requirement (i.e., competency at the 202-level)

College/School ¹
Arts & Sciences
Hawaiian, Asian, & Pacific Studies
Medicine
Social Work
Travel Industry Management

Colleges/Schools that have modified the HSL requirement

College/School	Modification to the HSL requirement
Business Administration	HSL replaced with 12 credits of approved coursework for BBA
Ocean and Earth Science and Technology	202-level competency reduced to competency at the 102-level for BS and BA
Tropical Agriculture & Human Resources [varies by major] MAJORS: FAMR, NREM, PEB, PEPS, TPSS	HSL replaced with a minimum of 12 credits of approved coursework for BS

Colleges/Schools that have waived the HSL requirement

College/School
Education
Engineering
Nursing & Dental Hygiene
Tropical Agriculture & Human Resources [varies by major] MAJORS: ANSC, APDM, BE, FSHN

¹ The School of Architecture is not included because it has phased out the BArch degree. However, students in Architecture who terminate the ArchD program after four years may seek a BA in Interdisciplinary Studies, Colleges of Arts & Sciences and thus are required to complete the Hawaiian or Second Language requirement.
