

# Contemporary Ethical Issues Student Survey Results

Spring 2007

Updated 7/31/2007

## Return Rate

|             | Number of E sections offered | Number of sections that returned surveys | Final enrollment in E sections | Number of student surveys returned |
|-------------|------------------------------|------------------------------------------|--------------------------------|------------------------------------|
| Spring 2007 | 98                           | 49 (50%)                                 | 1963                           | 838 (43%)                          |
| Fall 2006   | 66                           | 34 (52%)                                 | 1428                           | 612 (43%)                          |
| Spring 2006 | 94                           | 42 (45%)                                 | 2091                           | 953 (46%)                          |
| Fall 2005   | 59                           | 40 (68%)                                 | 1422                           | 839 (59%)                          |
| Spring 2005 | 81                           | 49 (60%)                                 | 1853                           | 934 (50%)                          |
| Fall 2004   | 56                           | 42 (73%)                                 | 1463                           | 892 (61%)                          |
| Spring 2004 | 59                           | 36 (61%)                                 | 1445                           | 724 (50%)                          |
| Fall 2003   | 46                           | 25 (54%)                                 | 1309                           | 470 (36%)                          |

## Spring 2007 Courses That Returned Surveys

| COURSE           | Surveys returned | Percentage of final enrollment |
|------------------|------------------|--------------------------------|
| ACM/COM/JOUR 460 | 37               | 97%                            |
| AMST/ART 457/481 | 17               | 85%                            |
| ANTH/WS 315      | 29               | 69%                            |
| BE 482           | 2                | 100%                           |
| BIOL/CMB 340/351 | 25               | 57%                            |
| BUS 301          | 52               | 22%                            |
| CEE 490          | 47               | 85%                            |
| EALL 363C        | 13               | 87%                            |
| EALL/WS 364/346  | 18               | 90%                            |
| ES 330           | 133              | 85%                            |
| ES 340           | 16               | 76%                            |
| ES 420           | 16               | 73%                            |
