3. NEW BUSINESS
   a. Articulation of Focus-Hawaiian, Asian, & Pacific Issues (H) classes (Sokugawa)
      Most currently articulated H courses expire at the end of the Fall 04 term (courses administratively
      given “blanket approval” as well as class/instructor approvals). GEC needs to determine procedures
      for S05 and beyond.

      Current procedure:
      -Community college (CC) sends proposal forms to the UHM VCAA.
      -UHM VCAA sends forms to the H Board chair for review and recommendation.
      -GEC votes on the recommendation.
      -GEC decision is sent to the UHM VCAA who notifies the CC of the decision.

      Possible long-term procedures and related issues were discussed:
      -Course-by-course articulation of courses.
      -H program articulation involving the adoption of UHM H hallmarks (like the articulation developed
      for Foundations programs).
      -Extending the currently articulated courses to Spring 05 or Summer 06.
      -Time constraints and registration deadlines.
      -H hallmarks and board criteria for reviewing proposals.

      Discussion resulted in a MOTION determining H course articulation policy for Fall 2005 and
      beyond; seconded and passed unanimously:
      1. Any currently designated H course (course approvals and class/instructor approvals) expiring in
         December 2004 will expire instead in August 2005.

      2. All future H proposals will involve only sections of a course taught by a particular instructor.

      3. Individual instructors desiring new H designation of their section(s) for Spring 2005 must submit
         a proposal by the UHM deadline for Spring 2005 Focus proposals.
         The UHM H Board must review the proposals by the UHM Spring 2005 review deadlines.

      4. To renew designations or propose new classes for Fall 2005 or later, instructors will have to
submit proposals by UHM deadlines.

5. Proposals from other campuses will require 2 administrative signatures: department chair and chief academic officer. [minutes corrected, 9/23/04, to add “from other campuses.”]

6. These procedures will be explained to UH Deans of Instruction by OVPAA (currently, by Joanne Itano).

b-d Tabled until the next meeting: FB proposal for provisional designation of Foundations courses; Mentoring; Information processing.

e. Hawaiian/Second Language: Language in the Catalog may not reflect the realities of modifications or waivers in certain colleges and schools. Catalog deadline for changes is Nov. 18.

WRAP UP
1. Past GEC minutes will be archived in the GEO office pending a decision on whether they should be posted at the GenEd web site; approved minutes for AY 2005 and beyond will be posted at the GenEd web site (GEC consensus, 8/26/04 meeting).

2. When minutes are approved, liaison reports for that meeting become part of the minutes. When reports are submitted, board chairs are cc’d and have one week to contact their liaison about items in the report.

3. Next meeting: Thursday, 9/23/04, 12:00-1:15, Hawai‘i 208.
   -Send New Business items to Cox.

The meeting adjourned at 1:30 p.m.
