3. O Board
Jeannie Lum, Liaison
January 31st meeting

Revised 2/13/06
The O board met and reviewed summer 06 proposals. Discussed dates for a spring workshop sometime in April to share training and evaluation practices from a variety of instructors and possible plans for a September workshop before Spring 2007 proposal deadline. Members wanted to get an updated report on O courses now offered in the larger majors to see which of these departments should be contacted and their faculty encouraged to submit course proposals.
