

Hawaiian, Asian, & Pacific Issues (HAP)
Multicampus Articulation
April 19, 2007, 1:15pm - 2:45pm
Agenda

The agenda, meeting notes, and articulation drafts are posted at
www.hawaii.edu/gened/multicampus/multicampus.htm.

1. March 22, 2007 meeting notes: any changes, comments, clarifications needed?
2. Review revised articulation agreement, 3/28/2007 version. Please activate Word's "Reviewing" feature so you can see changes and comments.
3. HWST 107 course equivalency. The course currently articulates across the system as equivalent. Because campuses will be modifying the course to meet HAP Hallmarks, would collaboration on the modifications be useful to ensure that course remains "equivalent" on all campuses?
4. Transition plan and timeline
5. Recap and next steps
