1. Articulation of Summer and Fall 2008 HAP courses

The HAP articulation agreement became effective with Spring 2009 courses. HAP courses that were offered prior to S09 should have been articulated through the old procedures. However, some campuses did not go through these formal procedures for Summer and Fall 2008 courses. How many campuses/courses/students does this involve? (Each campus will report.)

2. Banner/STAR/MyUH set-up for “seamless” HAP articulation

Lisa Fujikawa (UHM GenEd Office) will provide an update.

3. New business

a. Systemwide HAP student learning outcomes

Begin discussion on creation of systemwide HAP SLOs. For reference, please see Manoa's draft SLOs (manoa.hawaii.edu/assessment/reports/pdf/HAP_SLOs_2008.pdf).
