HB 1594 – RELATING TO THE UNIVERSITY OF HAWAII PROMISE PROGRAM

Chair Woodson, Vice Chair Hashem and members of the committee:

Thank you for the opportunity to testify in support of HB 1594. This measure would establish a new scholarship program called Hawai'i's Promise that provides support for students with financial need as defined by the U.S. Department of Education, to attend any campus of the University of Hawai'i system at no cost for tuition, fees, books, supplies and transportation.

Hawai'i's Promise would be a "last dollar" scholarship. Other sources of financial aid such as federal Pell grants, UH opportunity scholarships, and other public and privately sponsored scholarships would be applied first, and then Hawai'i's Promise would provide for any unmet needs in the categories mentioned above. This measure would allow any Hawai'i resident who meets the eligibility criteria to attend a UH campus, at no cost for tuition, fees, books, supplies, and transportation. We are hopeful that this measure will encourage more students to attend a UH campus, leading to obtaining our goal of 55% of the State's population having a degree by 2025.

The University of Hawai'i fully supports this bill.
