HB 2025 HD1 – RELATING TO RESOURCE RECOVERY

Chairs Kidani and Gabbard, Vice Chairs Kahele and Riviere, and members of the Senate Committee on Education and Committee on Agriculture and Environment:

Thank you for this opportunity to provide testimony in support of HB 2025 HD1.

Composting is an environmentally safe and useful way to deal with the appropriate type of materials. The College of Tropical Agriculture and Human Resources (CTAHR), University of Hawai‘i at Mānoa (UHM) would be pleased to be part of the Composting Grant Pilot Project Working Group as outlined in the bill. CTAHR has useful experience in the science of composting, including training and demonstrations in composting at the UHM/CTAHR Urban Garden Center in Pearl City.

Thank you for this opportunity to testify in support of HB 2025 HD1.
