### HB 2604 HD1 – RELATING TO INTERNATIONAL EDUCATION PROGRAMS

Chair LoPresti, Vice Chair Fukumoto, and members of the committee:

Thank you for the opportunity to comment on HB 2604 HD1 that appropriates funds to be expended by the University of Hawai'i (UH) in collaboration with the Department of Business, Economic Development, and Tourism (DBEDT) to fund programs organized or sponsored by University of Hawai'i (UH) community colleges or a four-year campus to implement international college experiences for Hawai'i students enrolled at UH.

The University of Hawai'i appreciates the language of HB 2604 HD1, recognizing the value of international educational opportunities for Hawai'i's students. Education abroad programs have been acknowledged to contribute to students' success and preparation. HB 2604 HD1 notes Hawai'i's strong heritage ties to the Asia-Pacific, and studying abroad in these countries exposes students to the vibrant economies and cultures of the region, a benefit to the state. Furthermore, funding for study abroad programs would encourage student participation, and potentially diversify the kinds of students who are able to participate.

Study abroad programs at UH are currently organized at the campus level, and systemwide we have discussed how we might collaborate across campuses to benefit students. UH looks forward to working with campuses and DBEDT on programs that give opportunity for students to experience study abroad. We support the intent of HB 2604 HD1 as long as it does not supplant the UH Board of Regents approved budget.

Thank you very much for the opportunity to provide comments on HB 2604 HD1.
