### SB 723 SD2 – RELATING TO EDUCATION

Chair Woodson, Vice Chair Hashem, and members of the committee:

Thank you for the opportunity to testify in support of SB 723 SD2. This measure would amend the statute that prescribes the functions of the UH Community Colleges to include rapid response occupational training and certification programs.

It is a core function of the UH Community Colleges to provide short-term, rapid response training to meet the continually changing requirements of the State's economy. Codification into statute provides formal recognition of this function as well as defines the specific expectations of the Legislature on how to fulfill this very important need.

The UH Community Colleges is in concurrence with the intent of the bill and strongly supports its passage on the condition that any requested funds do not supplant any portion of the University's Biennium Budget Request.
