

# ARE THE ROCKEFELLER DRUG LAWS RACIST?

**Drug Offenders in  
New York State Prisons**

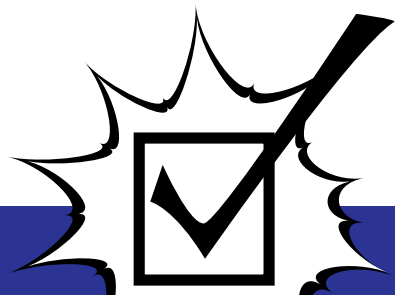

**General New York State  
Population**

*Studies show that the majority of people who use and sell drugs are white, yet African-Americans and Latinos make up about 94% of drug offenders in New York State prisons.*

*There are over 21,000 drug offenders in state prisons under New York's harsh Rockefeller Drug Laws, most of them non-violent, minor offenders.*

*It costs New York's taxpayers nearly \$700 million per year to keep drug offenders in prison.*
