Message from the University President

We live today in an increasingly connected world, and the University of Hawai‘i is proud to be at the crossroads of the Asia-Pacific region.

We invite you to learn more about the University of Hawai‘i and our renowned programs. Founded in 1907 as one campus, we are now a public higher education system with ten campuses, including a major research university, two baccalaureate campuses, seven community colleges, and numerous learning, extension, research, and service centers at more than 70 sites throughout the state of Hawai‘i.

Designated in the United States as a land-grant, sea-grant, and space-grant university, our flagship campus is distinguished nationally. Among our ten campuses, we award associate, bachelor’s, master’s, doctoral, and professional degrees as well as short-term certificates. Each campus is accredited, and we have programs of distinction in many fields of study, including international business, marine sciences, astronomy, English language study, ocean and earth sciences, tourist industry management, agriculture, and engineering.

The University of Hawai‘i is one of the world’s foremost multicultural centers for global and indigenous studies. Students’ educational and learning experiences are enriched by the diversity of our academic programs and our student body where no one ethnic group constitutes a majority.

Explore our campus websites to learn more about the possibilities for study in a quality higher education program at the University of Hawai‘i.

Aloha,
Dr. David Lassner
President
University of Hawai‘i
